Contending Forces

2023-10-03

the authors of the original articles included in this book are profound thinkers in the field of rhetoric and philosophy in europe the articles constitute a groundbreaking critical analysis of rhetorical discourse in europe from ancient to modern times the topics the learned writers cover engage readers in worthy and lively conversations on european rhetoric history and philosophy the writings offer practical benefits and enlightening revelations on the role of language symbols media and communication in contemporary and historical europe the authors and their insightful accounts provide a basis for transforming the mind interested in european discourse from rhetorical naivete to sophistication and from rhetorical innocence to experience these challenging narratives will cause readers to think of european rhetoric holistically rather than simplistically

Works

1896

a guide for library catalogers and technical services managers in the process of converting manual catalog records to machine readable form published simultaneously as cataloging and classification quarterly v 14 nos 3 4 1992 annotation copyright by book news inc portland or

Motherhood

2020-08-04

the field of research related to neurocritical care has grown significantly in recent years and the clinical demands for current and dependable expertise has followed suit it can be a challenge for the neurocritical practitioner to keep up with cutting edge evidence based research and best practices especially regarding the role of pharmacotherapeutics in the treatment of neurocritical disease states pharmacotherapeutic strategies are increasingly relevant neuropharmacotherapy in critical illness is the first book that provides this information in a high yield format for the busy healthcare provider edited and authored by leading experts in the field this book provides practitioners with clinical pearls on neuropharmacology dosing strategies monitoring adverse events drug interactions and evidence based pharmacotherapy

The Influence of Man on Animal Life in Scotland

1982

an empirically rich and conceptually informed study of the politics of transitional justice in post communist estonia latvia and lithuania

Prospect and Retrospect

1889

this book analyzes a range of edgar allan poe s writing focusing on new readings that engage with classical and post modern studies of his work and the troubling literary relationship that he had with t s eliot whilst the book examines poe s influence in spain and how his figure has been marketed to young and adult spanish reading audiences it also explores the profound impact that poe had on other audiences such as in america greece and japan from the nineteenth to the twenty first century the essays attest to poe s well deserved reputation his worldwide legacy and his continued presence in global literature this book will appeal particularly to university teachers poe scholars graduate students and general readers interested in poe s oeuvre

The Chemical Trade Journal

2014-11-01

this is a timely review of the gold standard covering the 110 years of its operation until 1931 when britain abandoned it in the midst of the depression current dissatisfaction with floating rates of exchange has spurred interest in a return to a commodity standard the studies in this volume were designed to gain a better understanding of the historical gold standard but they also throw light on the question of whether restoring it today could help cure inflation high interest rates and low productivity growth the volume includes a review of the literature on the classical gold standard studies the experience with gold in england germany italy sweden and canada and perspectives on international linkages and the stability of price level trends under the gold standard the articles and commentaries reflect strong conflicting views among the participants on issues of central bank behavior purchasing power an interest rate parity independent monetary policies economic growth the atlantic economy and trends in commodity prices and long term interest rates this is a thoughtful and provocative book

Cognitive Radio and Networking for Heterogeneous Wireless Networks

1896

readers will travel back through the years exploring how whitetail hunting and records keeping has changed and evolved since the late 1880s up through 1980s a whitetail retrospective is packed with hundreds of amazing vintage field photos score charts correspondence and portrait shots of whitetail deer the editors also discovered a treasure trove of publicity about the boone and crockett club s awards programs as well as special trophies like babe ruth s whitetail buck that received a second award at the club s third annual competition held in 1949

The Iron Age

2017-03-03

why did the defendant do it mental health professionals are asked to help courts answer this question to serve justice the law calls for evidence of the mental state at the time a crime is committed of suicide intent in civil litigation and of mental capacity in contract litigation the law asks psychiatrists and psychologists to retrospectively determine mental states a daunting task made even more difficult by the passage of time the uncertain credibility of witnesses the paucity of collateral sources of information and often the death of the person in question this is the first book dedicated entirely to the retrospective assessment of mental states this fascinating book explores the role of the psychiatrist and psychologist as an expert witness in litigation in rendering a retrospective judgment of an individual s mental state distinguished contributors apply their expertise in psychiatry psychology and the law to address the problems of retrospective assessment with the goal of developing guidelines for more accurate retrospective assessment of mental states they present topics such as guidelines for conducting retrospective assessments in children and adults guidelines for the retrospective assessment without benefit of direct examination assessments of suicide cases in both civil and criminal litigation psychological testing and interviewing techniques that may assist in retrospective assessment methods and analysis to help clinicians and attorneys critically evaluate the search for truth about the past this remarkable book will prove indispensable for helping clinicians lawyers and judges better understand the complex and difficult process of retrospective reconstruction of mental states

Rhetoric in Europe: Philosophical Issues

1992

in 1965 juris hartmanis and richard e stearns published a paper on the computational complexity of algorithms the field of complexity theory takes its name from this seminal paper and many of the major concepts and issues of complexity theory were introduced by hartmanis in subsequent work in honor of the contribution of juris hartmanis to the field of complexity theory a special session of invited talks by richard e stearns allan borodin and paul young was held at the third annual meeting of the structure in complexity conference and the first three chapters of this book are the final versions of these talks they recall intellectual and professional trends in hartmanis contributions all but one of the remainder of the chapters in this volume originated as a presentation at one of the recent meetings of the structure in complexity theory conference and appeared in preliminary form in the conference proceedings in all these expositions form an excellent description of much of contemporary complexity theory

Retrospective Conversion

1930

this analysis sought to identify trends in mortality and examine relationships among data elements to this end data were collected on firefighter fatalities between 1990 and 2000 for further information see the methodology section or the appendix using this analysis better targeted prevention strategies can be developed in keeping with the usfa s goal to reduce firefighter deaths 25 percent by 2005 in contrast to the annual usfa firefighter fatality reports this analysis allowed for comparisons over time to determine any changes in firefighter mortality with a depth of scrutiny not present in earlier analyses
