ECG Made Easy 2008 forgiveness can be difficult for us as human beings in the world people hardly forgive it is natural for a person not to forgive but to seek revenge however when you become a new man god expects you to forgive indeed one cardinal difference between the christian and the unbeliever is that the christian has the ability to forgive and release the offender a new man must be able to forgive this book will make forgiveness easy for you to do sometimes in remembering what somebody has done to us we forget that we have also wronged god and man from god s point of view a christian who cannot forgive is rather strange god will forgive you if you murder lie fornicate commit adultery and practise witchcraft however god will not forgive you if you bear someone a grudge that is the point at which god stops forgiving you do you want god to forgive you then forgive your brother do not allow unforgiveness in your heart to make you a wicked servant in the eyes of god bishop dag heward mills will show you through this blessed book how to know whether you have truly forgiven your offenders and how to be delivered from the snare of unforgiveness

CCM Certification Made Easy 2016-07-20 this popular guide to the examination and interpretation of chest radiographs is an invaluable aid for medical students junior doctors nurses physiotherapists and radiographers translated into over a dozen languages this book has been widely praised for making interpretation of the chest x ray as simple as possible the chest x ray is often central to the diagnosis and management of a patient as a result every doctor requires a thorough understanding of the common radiological problems this pocketbook describes the range of conditions likely to be encountered on the wards and guides the reader through the diagnostic process based on the appearance of the abnormality shown covers the full range of common radiological problems includes valuable advice on how to examine an x ray assists the doctor in determining the nature of the abnormality points the clinician towards a possible differential diagnosis a larger page size allows for larger and clearer illustrations a new chapter on the sick patient covers the patient on itu and the appearance of lines and tubes there is extended use of ct imaging with advice on choosing modalities depending on the clinical circumstances a new section of chest x ray problems incorporates particularly challenging case histories the international relevance of the text has been expanded with additional text and images

Emergency Ultrasound Made Easy E-Book 2021-03-27 five years and more than 100 000 copies after it was first published it s hard to imagine anyone working in design who hasn t read steve krug s instant classic on usability but people are still discovering it every day in this second edition steve adds three new chapters in the same style as the original wry and entertaining yet loaded with insights and practical advice for novice and veteran alike don t be surprised if it completely changes the way you think about design three new chapters usability as common courtesy why people really leave sites accessibility css and you making sites usable and accessible help my boss wants me to surviving executive design whims i thought usability was the enemy of design until i read the first edition of this book don t make me think showed me how to put myself in the position of the person who uses my site after reading it over a couple of hours and putting its ideas to work for the past five years i can say it has done more to improve my abilities as a designer than any other book in this second edition steve krug adds essential ammunition for those whose bosses clients stakeholders and marketing managers insist on doing the wrong thing if you design write program own or manage sites you must read this book jeffrey zeldman author of designing with standards

Forgiveness Made Easy (3rd Edition) 2022-08 fully revised this is an updated new edition of a much loved book which has built a reputation for pithy entertaining good sense over the course of six

editions children are different paediatrics is much more than medicine miniaturised from reviews of the previous edition all in all a very handy book for the student the resident or other professionals working with children i had a lot of fun reading it the book is full of wonderful illustrations and funny and profound advice with quotations like the words of sir dominic corrigan 1853 the trouble with many doctors is not that they do not know enough but that they do not see enough or the advice to teach thy tongue to say i do not know rabbi moses maimonides or rambam 1135 1204 i have used this book for my final medical year paediatrics exams the dch and the mrcp and it has been a great help it reminds us of the most important and basic things history and examination and of course a friendly demeanour short manageable chapters clinical examples of examination techniques very helpful tips and topics section clinical checklists simply illustrated updated throughout new section of questions of five questions short glossary of latin terms
